Scarlett Johansson, aparitie spectaculoasa

Scarlett Johansson va implini 37 de ani in doar cateva zile, iar recent si-a facut aparitia pe covorul rosu de la American Cinematheque Awards. Este de altfel prima iesire importanta a actritei dupa ce a devenit pentru a doua oara mama, scrie Hotnews.

Scarlett a venit la eveniment insotita de sotul Colin Jost si a reusit sa atraga toate privirile. Nascuta pe 22 noiembrie 1984, Scarlett se afla la al treilea mariaj dupa cele avute cu Ryan Reynolds (2008-2011) si Romain Dauriac (2014-2017).

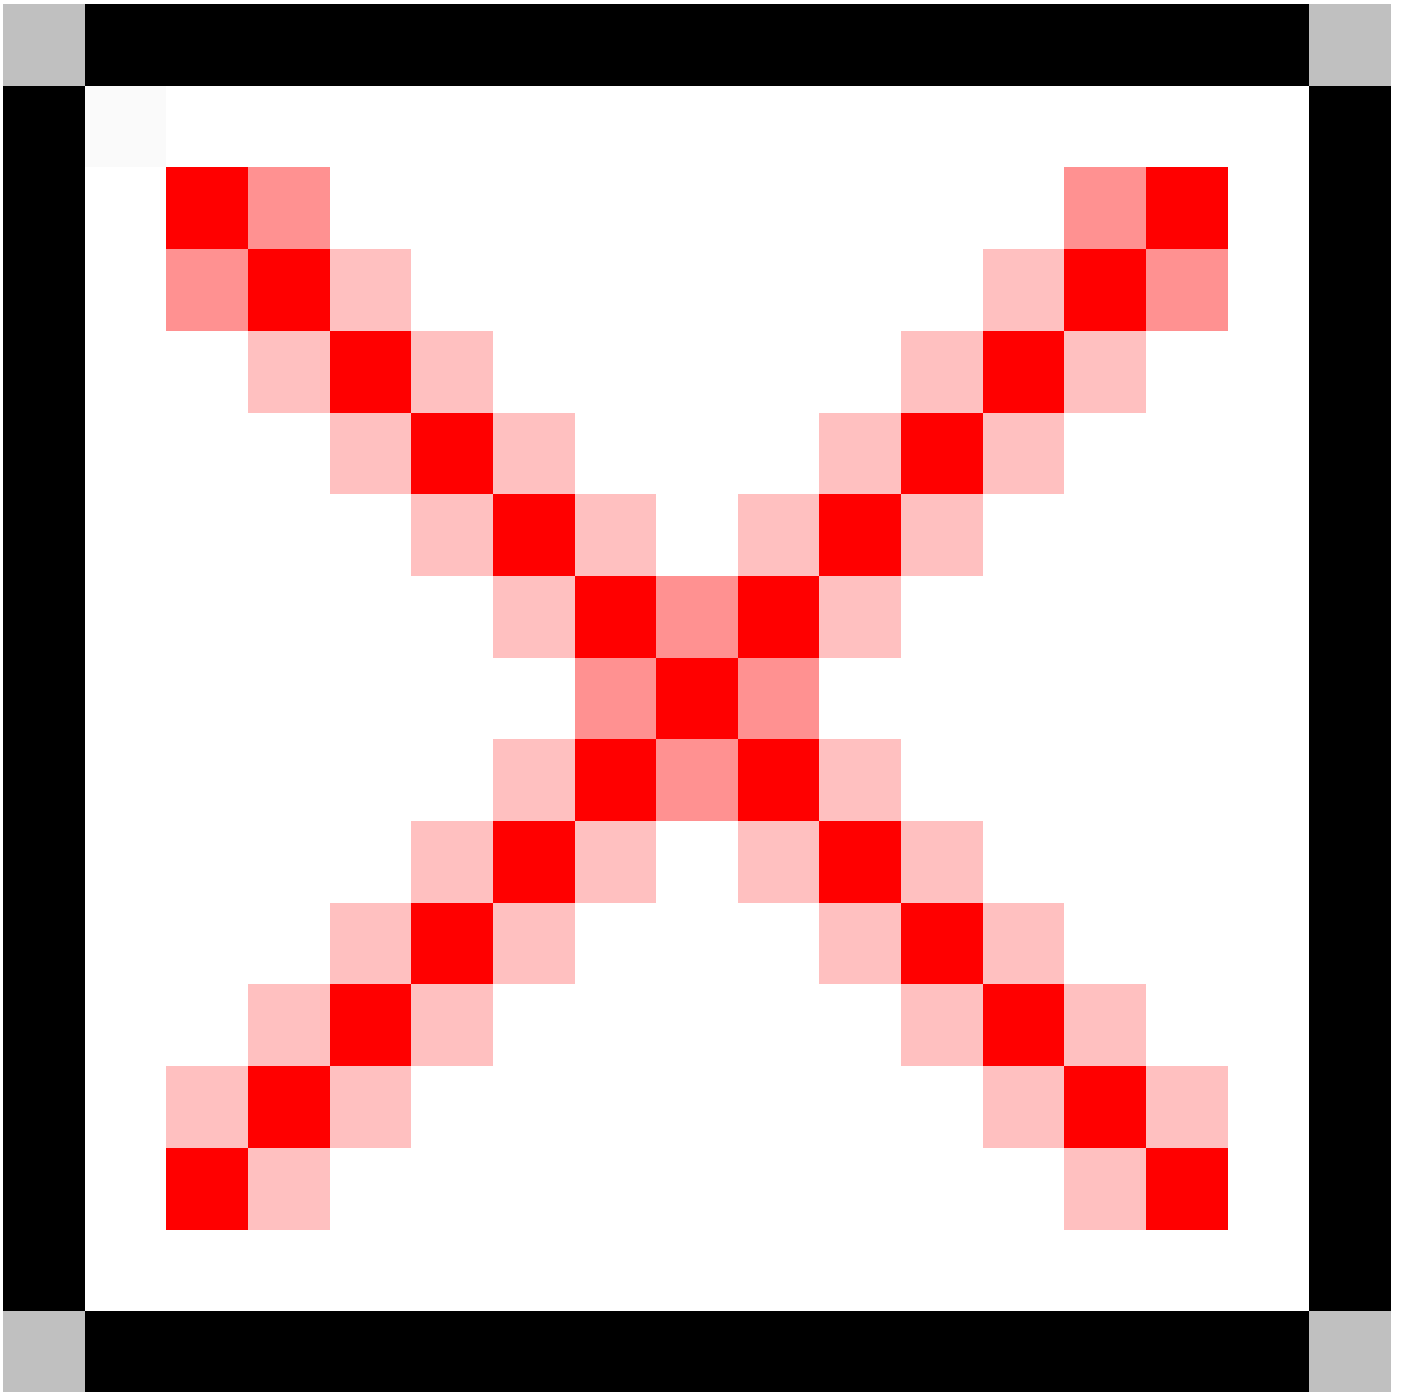

Are doi copii: Cosmo (baietel nascut pe 19 august 2021) si Rose Dorothy (nascuta in 2014 in timpul casatoriei cu francezul Romain Dauriac).

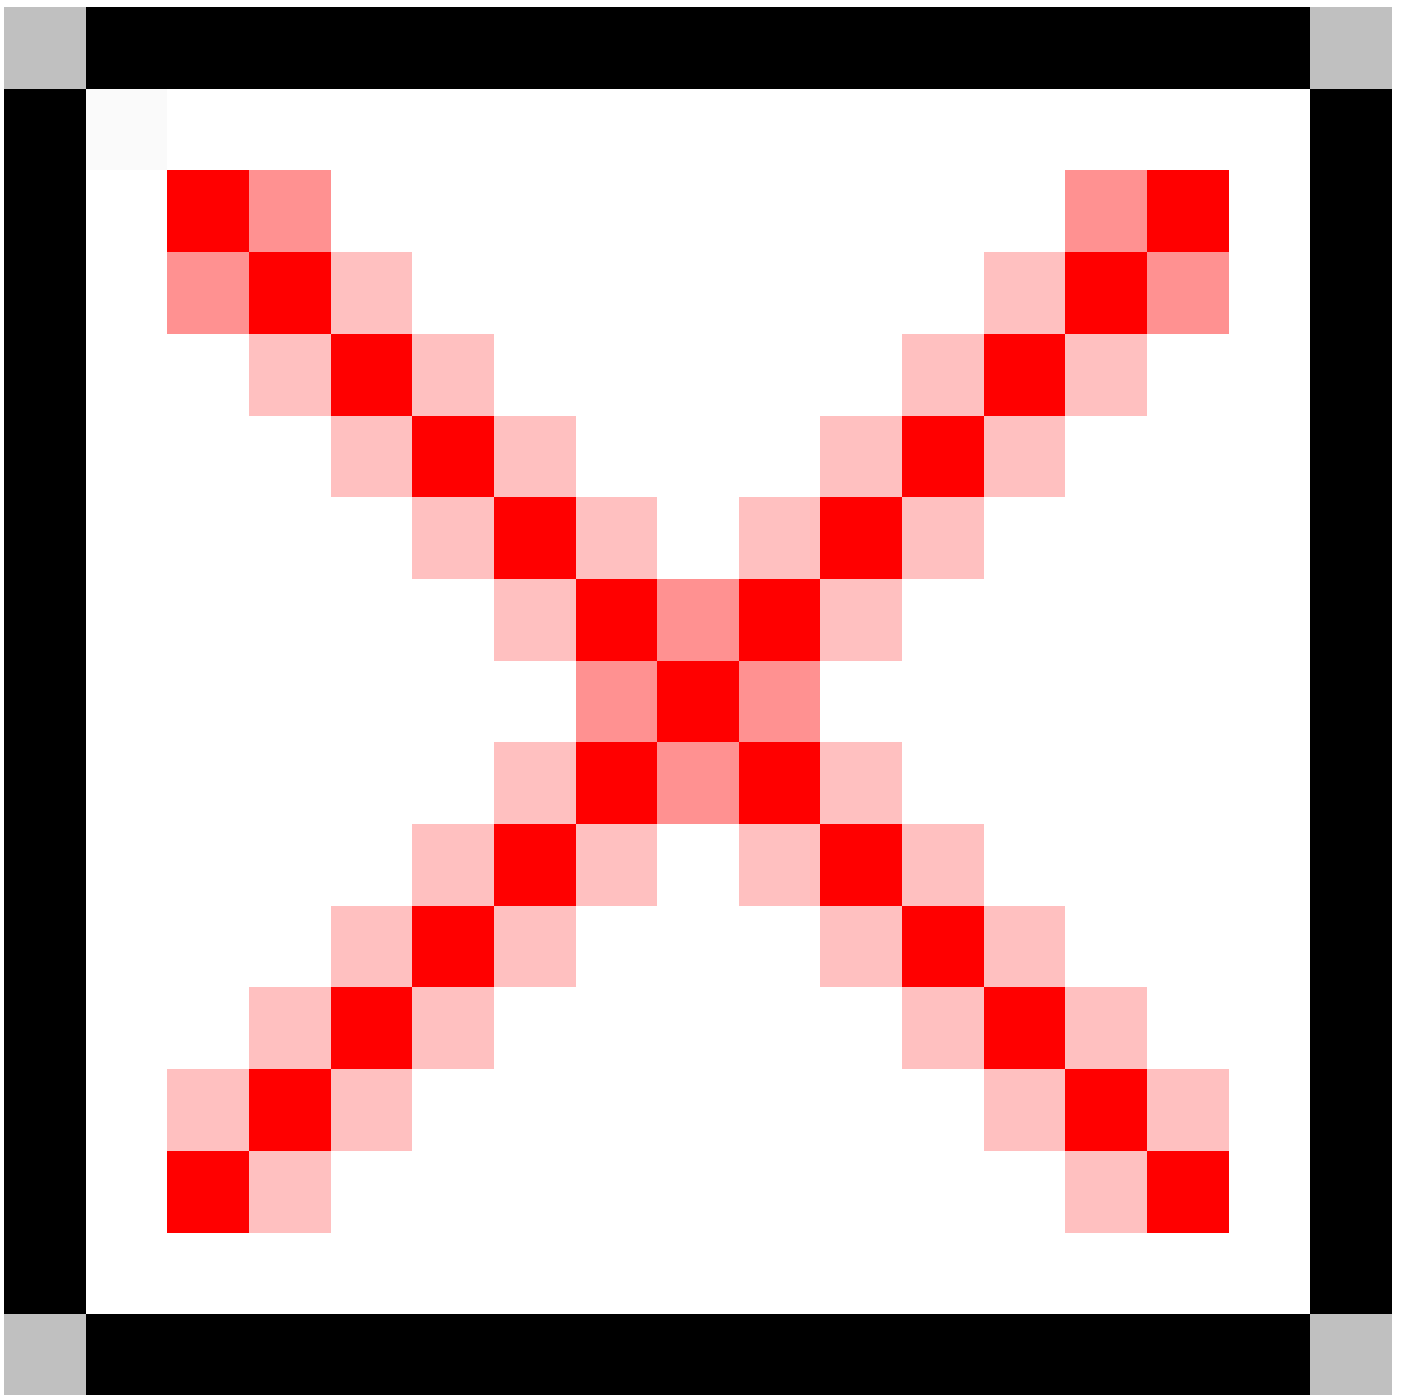

Scarlett Johansson (36 de ani) si Colin Jost (39 de ani) s-au casatorit in 2020.

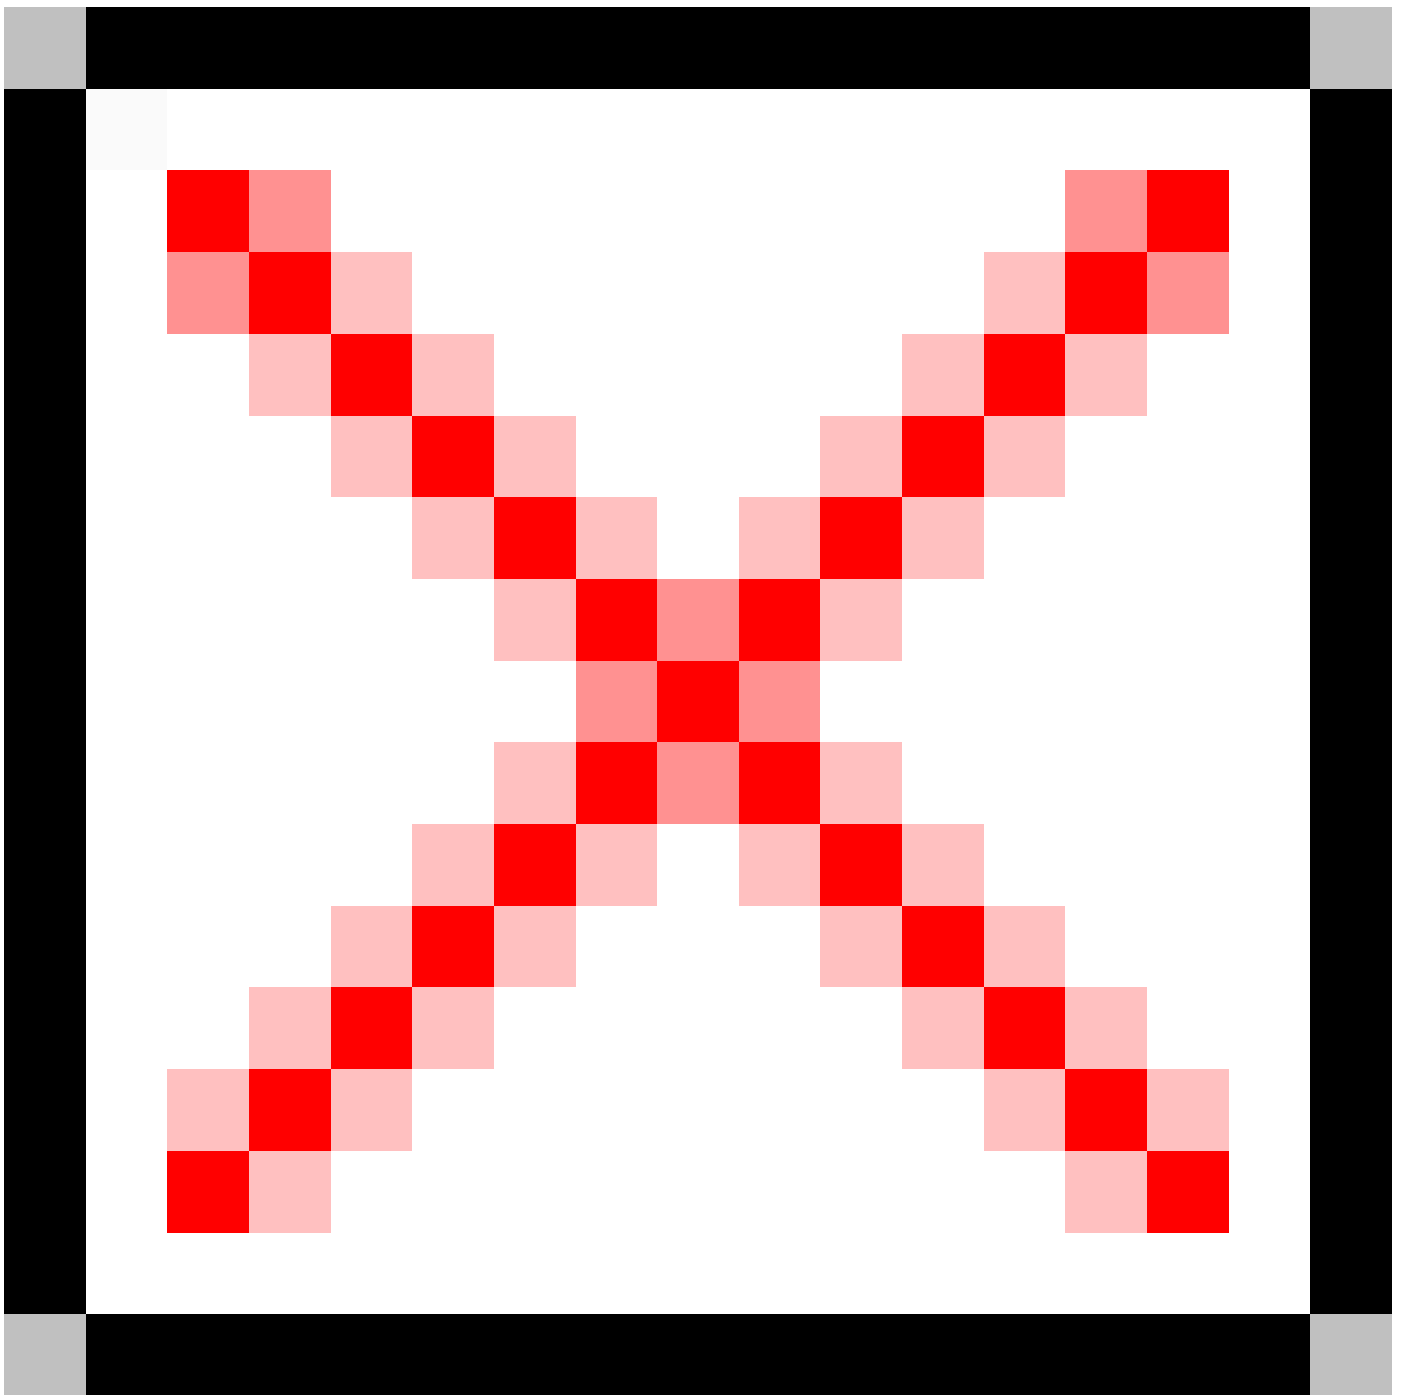

De stiut:

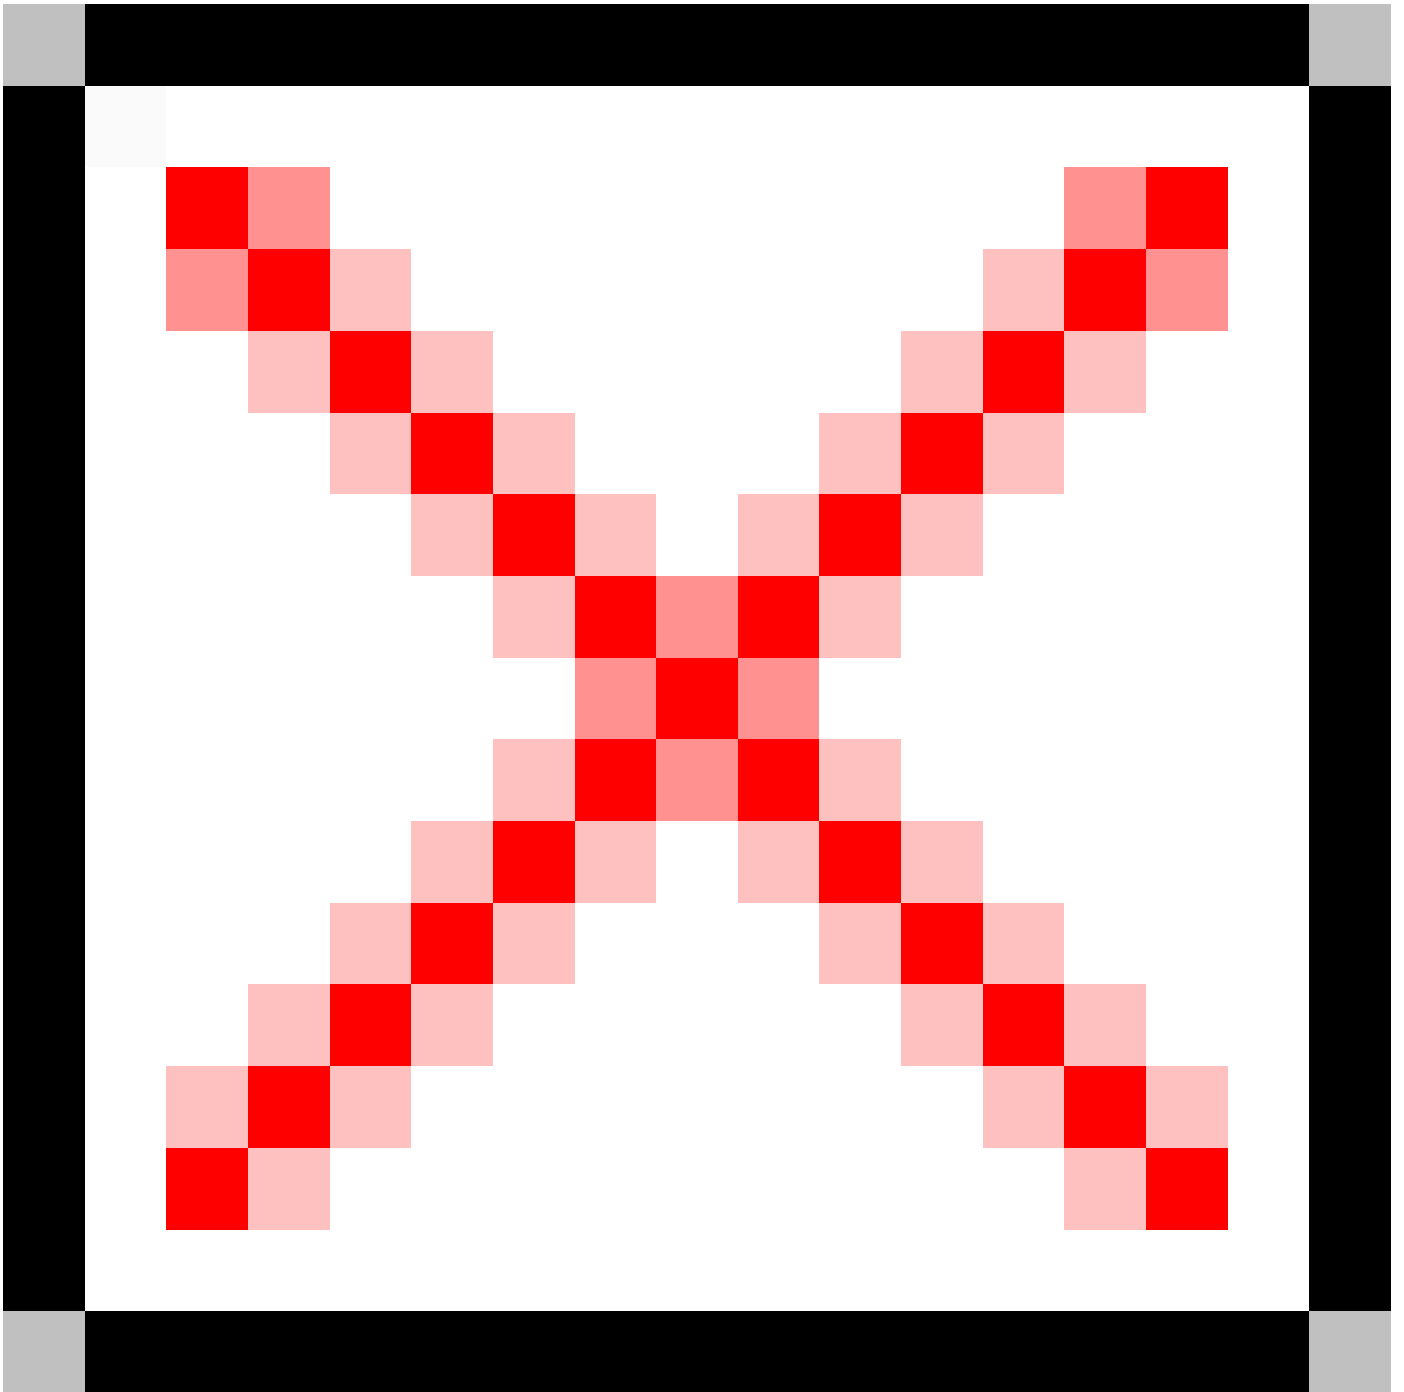

De-a lungul timpului, revista Esquire i-a acordat in doua randuri lui Scarlett Johansson titlul de "cea mai sexy femeie a lumii": in 2006 si 2013.
